UNITED STATES AIR FORCE AUXILIARY

MEMORANDUM FOR ALL CAP UNIT COMMANDERS AND SAFETY OFFICERS

FROM: CAP/CC

SUBJECT: Interim Change Letter - CAPR 62-1, *CAP SAFETY RESPONSIBILITIES AND PROCEDURES*

1. This interim change letter immediately changes CAPR 62-1, *CAP Safety Responsibilities and Procedures*, and will remain in effect until CAPR 62-1 is revised. Compliance with this letter is mandatory.
2. The "Introduction to Safety" course, referred to in 62-1 as "Introductory Safety Education" or "Introductory Safety Training" is no longer a requirement for CAP members, and references to this course are being deleted from CAPR 62-1. Level 1 training for new senior members, and the Wingman course for new cadets, have been updated to include entry-level material on the CAP Safety Program and Risk Management concepts, tailored to the needs of the new member. These courses negate the need for a standalone Introduction to Safety course. As such, references to "Introduction to Safety" and "Risk Management Familiarization" are not needed and are deleted.
3. CAPR 62-1 is changed as follows:
Paragraph 3.i.(2) is deleted
Paragraph 4., Table 1. Safety Education Requirements, is deleted in its entirety. Remaining safety education requirements are outlined in paragraph form in the text of CAPR 62-1 as amended by ICL to CAPR 62-1, dated 29 June 2015.
Paragraph 4.g. is deleted
Paragraph 4.h. is deleted
4. We are currently removing links to this content, as well as metrics from the commander's dashboard and eServices reports. If you have any comments or concerns, contact Mr. George Vogt, CAP/SE, at (334) 953-7748 ext 232, or e-mail at gvogt@capnhq.gov.
