Heraldry of the **2016 CADET LEADERSHIP ACADEMY LOGO**

The South Dakota Cadet Leadership Academy was held 26-28 February 2016. Cadets from South Dakota Wing, North Dakota Wing and Minnesota Wing participated. The activity was held at the Community Bible Church in Pierre.

The logo is simple in design consisting of one line of large uppercase black text "SD/CLA" standing for South Dakota Cadet Leadership Academy. Below this is a black bar containing the text "H-IV3 -//- Leaders of Tomorrow" in white. According to one participant the "H-IV3" was a play on words for "Hive", which didn't have any specific meaning; it was just a word humorously used among the cadets to refer to themselves.

The logo was designed by Cadet Second Lieutenant Chris Dinnel of the Big Sioux Composite Squadron in Brookings. The design was approved for wear by Maj. Nicholas Gengler, the officer in charge of the academy. The logo was worn horizontally on the left breast on light gray t-shirts.
